**Mayor Larson to Host City Hall in the City Community Listening Session November 14**

[Duluth, MN] - Duluth Mayor Emily Larson invites Duluth residents to attend the upcoming *City Hall in the City Community Listening session* on November 14, 2018 at 5:30 pm on the Lake Superior College campus, Room S1981 (a map of the building is available at <https://www.lsc.edu/wp-content/uploads/BuildingMap.pdf>). Mayor Larson started these listening sessions in partnership with City Councilors to ensure residents have an opportunity to speak directly to their elected officials one-on-one. Several sessions remain for resident participation for the remainder of the year.

City staff are also in attendance and represent Public Works, Parks, Finance, Public Safety, Human Rights, and Imagine Duluth 2035. At this session, representatives from the Minnesota Department of Transportation will also be present to discuss their upcoming projects. These sessions enable residents to have individualized conversations with the Mayor, City Councilors or City staff about various topics. These sessions are open to all residents and children are welcome to attend. The upcoming listening session will be cohosted with Councilor Arik Forsman

Please check the City's website at <http://www.duluthmn.gov/> or our Facebook page, "City of Duluth, MN" for the event listings.
